Even the Professional Room Traders Abandon Efforts to Move Prices.

CONCERN OVER POLITICS EASTER HOLIDAYS PRINCIPAL CAUSE OF DULNESS.

New York March 24.- The professional room traders in stocks had practically abandoned their futile efforts to move prices by the early afternoon today, when the market lapsed into stagnation.

Concern over the political outlook was advanced as the reason for the morning selling, in continuation of yesterday's movement. A large part of the selling was said to originate in Boston, where Tuesday's congressional election. sday's congressional election was of jost effect in its influence on opinion reling the elections next fall. The cor on over next fall's results, however,

The domestic interior has been shipping cur-rency to New York on balance during this week, but the withdrawals on sub-treasury operations have been somewher treasury operations have been somewhat

Another decline in British consols made a new low record for the year, and also since 1907. The New York City 4½ percent bonds were slightly steadier today, but did not rally to the subscription price. The Wabash and the Maine Central were reported to have sold short term notes to avoid the necessity of assuming long term obligation at the present unsatisfactory market.

A disquieting feature was the unsupported condition of some of the minor industrial stocks. Small selling caused wide declines in the Allis-Chalmers securities and in Railway Steel Spring preferred.
